

# every ink stain is an **OPPORTUNITY**

Since stain removal matters to your customers,  
each stain is an opportunity to impress them.

InkGo is the effective and safe way to remove ink  
stains from all types of fabric - including acetates.

Use it to remove adhesives, too.

It's eco-friendly... California compliant,  
chlorinated-solvent and NPE free, biodegradable  
and non-combustible. And since InkGo is  
user-friendly and odor-free, it's pleasant to work with.

Use InkGo to deliver stain-free cleaning.  
You'll build your reputation for quality  
- and keep customers coming back.

# Notice Anything? InkGo® Is Now Odor Free!

**InkGo has been reformulated to remove its odor...  
and to improve its performance.**

It's still the environmentally friendly,\* safe way to remove ink stains from all types of fabric. It's still great at removing autoclave tape and adhesives.

And since it's odor-free, it's more pleasant to work with.

**Now that's worth noticing!**

\*InkGo is Biodegradable and is California Prop-65 and California VOC Compliant.

# New InkGo®

**Removes All Types  
of Ink Stains.  
Washes Out With Hot Water.  
Returns Goods to Service.**

New InkGo is applied directly to ink stains and then washed out with hot water. Or it is used on a spotting board and flushed out with wet steam. Either way, New InkGo returns goods to service stain free, reducing replacement costs.

New InkGo has proven its effectiveness in removing all types of inks including ball-point inks, laundry markers, felt tips, printing inks, etc. It's safe for use on most colors and all fabrics – including acetates.

New InkGo is also environmentally friendly. It meets the requirements of California's Prop-65 and V.O.C. regulations. It's the safe, sure way to remove ink stains. Try it.

**Also  
Removes  
Autoclave Tape  
& Adhesives**
