

BonGo[®]

**BEVERAGE STAIN
REMOVER**

BonGo[®]

BonGo removes virtually all beverage stains except milk. (For milk stains, use QwikGo.) BonGo is easy to use and is exceptionally safe for use on delicate colors and fabrics.

DIRECTIONS

Before starting, read and understand the BonGo Material Safety Data Sheet.

For Best Results, Fabric Should Be As Dry As Possible Before Applying BonGo.

➤ **IN DRY CLEANING**

Before or after cleaning, apply BonGo to stain and work in with spatula or brush. Wait until stain loosens, then flush with water or steam. On heavy or hard- set stains, repeat procedure if necessary.

➤ **IN LAUNDERING**

Before washing, saturate stained area with BonGo and work in until stain loosens. (Do not rinse BonGo from fabric.) Allow BonGo to penetrate for 10 minutes or more... then launder in usual manner.

➤ **IN RUG CLEANING**

Apply BonGo to stain and work in with spatula until stain loosens. Then sponge out as much BonGo as possible.
