TarGo® Dry

BEST SPOTTER FOR REMOVING OIL-BASED STAINS

Your customers want their garments back like new, and stain removal is an important part of what they're looking for. TarGo Dry will help you give them what they want. It delivers...

- Faster, more complete stain removal.
- On a broader range of oily stains and inks.
- With greater safety for colors and fabrics.

Use TarGo Dry on the board before or after drycleaning, or in your perc machine for ink and lipstick loads. It costs a few pennies more per use than ordinary stain removers, but since it does so much more, it is well worth it.

With the help of TarGo, Young Cleaners has been giving customers what they want since the 1940's. Try TarGo Dry today. It will help you earn customer loyalty and make more money.
