

**Drycleaning Spray Spotter
Stain Remover
Leveling Agent**

Improved EasyGo[®]

Now flushes freely in ALL drycleaning solvents.

Spray *Improved EasyGo* onto soiled areas before drycleaning. Stains and soil disappear right in the wheel. For more difficult stains, use on the spotting board before or after cleaning. EasyGo is also an excellent leveling agent.

And it's still eco-friendly...California compliant, chlorinated-solvent and NPE free, biodegradable and non-combustible.

Drycleaning stain removal has never been so EASY!

DIRECTIONS

AS A SPRAY SPOTTER: Spray EasyGo directly onto stained area, then dryclean.

ON THE SPOTTING BOARD: Apply EasyGo directly to stain. Work in thoroughly until stain loosens. Flush with wet steam, then dry with air gun. Repeat if necessary.

AS A LEVELING AGENT: After spotting, flushing and drying on the spotting board, spray the spotted area with EasyGo until lightly damp, then dryclean.

NOTE: EasyGo is safe for use on most colors and fabrics. Test on hidden area of garment before using on delicate colors or fabrics.
