

SoGo[®] Mildew Specific

MILDEW BLEACH

SoGo "Mildew Specific" is a powdered laundry stain remover whose unique, controlled chlorine bleaching action safely removes both deep-seated and surface mildew. SoGo "Mildew Specific" can be used on 100% cotton, 100% polyester and poly-cotton blends, on both whites and color-fast colors.

SoGo "Mildew Specific" is available in 50 lb drums, 10 lb pails and 2 pound jars.

DIRECTIONS

Load machine to capacity, but do not overload.

STEP 1	140°F ¹ Water at High Level	Flush	Run for 3 minutes
STEP 2	140°F ¹ Water at Low Level	32oz. SoGo Mildew Specific for each 100 lbs. rated machine	Run for 30 minutes
STEP 3	Follow with three high level rinses, then sour to finish		

¹ 140°F is the minimum temperature for effective mildew removal. Temperatures up to 185°F can be used.

NOTE: Add product manually after temperature level is reached. Quantity indicated is for commercial (horizontal axis) laundry machine only.
