

SpotsGo® Knocks Out Stains in the Wheel

Spray It On Before Drycleaning, Washing or Wetcleaning

SpotsGo® adds the muscle you need to make tough spots go. It penetrates fabric to knock out stains during cleaning or washing. It's a winner at removing ground-in soil, perspiration, collar and cuff stains and many food and beverage stains. And there's no need to brush...just spray it on and let it work.

SpotsGo is perfect for all kinds of garments - from raincoats, golf pants and khakis to fine garments and formal gowns. It's safe for use on most fabrics and colors not affected by water or detergent.

SpotsGo has a pleasant scent, is environmentally friendly and complies with California Prop-65 and VOC regulations. It is compatible with perc and petroleum drycleaning systems, as well as all laundry and wetcleaning.
